Lake Easton State Park:
Access via I-90 exit 70 or 71, entrance off frontage road. Drive west to end of plowing and park. Both trail bridges over Yakima River are closed in the winter. To access the Palouse to Cascades Trail going west to Crystal Springs and Hyak, use Easton Reload Sno-Park out of Easton.

Trail from parking to turn into forest is .9 km / .6 mi., separated use shared with snowmobiles. The loops in the forest are 3.3 km / 2 mi. The trail section on the Palouse to Cascades is 1.1 km / .7 mi. (one way)
